

## **VOSS-Shell** *vario* Shock-proof head protection (Cat. I)

### Product information

The VOSS-Shell *vario* is an ABS shell, which can be used flexibly as head protection in a variety of caps. Through its light weight and texture, it offers a high wearing comfort and is easy to fit or to remove.

The wearer can remain faithful to his own style and does not have to do without an effective head protection.

Thus it offers companies the opportunity to make no compromises in the view of corporate identity
